## EurAgEng – The European Society of Agricultural and Biosystems Engineering

TO UNITE, REPRESENT AND DEFEND

YOU, YOUR PROFESSION, OUR SECTOR

# WHAT DO WE STAND FOR?

To serve through over 1600 committed members

For the needs of humanity

- to secure food supply
- to protect nature, the environment and rural communities,
- to manage landscapes,
- to provide biomass for renewable energy and materials
- to realize circular bioeconomy systems...

By fostering mutual understanding, improvement and rationalisation of sustainable biological production and food systems

## HOW DO WE ACHIEVE THIS?

By providing support to scientists and engineers working multi-disciplinary and trans-disciplinary

By organizing every two years AgEng conferences (since 1984) to favor the exchange of scientific and engineering achievements

By following up and adapting education programs

By promoting

- the scientific and engineering (young) potential,
- the capabilities and achievements of the profession,
- the Ag industries it serves,
- the academic - industry collaboration
