

BSGN AgriFood Market Platform

ICT WORKSHOP

Warsaw, January 31st, 2024

Copa-Cogeca and ESA launched partnership on 28 September 2023 to secure the future of sustainable and digital agriculture

What farmers and agri-cooperatives need

Bridge among the needs of the farming community
and space technologies.

- ✦ How can space technologies contribute to farmers and agri-cooperatives transition?
- ✦ Which technologies?
- ✦ In which timeframe?
- ✦ How to ensure that technologies can be accessible to all?

Next steps

- ✦ **1st step:** Call on Sustainable Transformation of Agriculture Through Digitalization and Space
- ✦ Further collaborations to promote and connect farmers and agri-cooperatives with space technologies
